On Saturday October 19, 2013 Walter White mourners are invited to attend a final farewell to the man, the myth and the legend, at his final resting place in Albuquerque, New Mexico. Services will take place at Sunset Memorial Park at 4:30pm. Breaking Bad set decorator Michael Flowers will deliver the eulogy. The Vernon’s Steakhouse Walter White funeral reception starts at 8:00pm. Attendance at both the funeral service and reception require payment with all proceeds going to the Vernon’s Steakhouse Walter White Endowment Fund at the Albuquerque Community Foundation benefitting Albuquerque Health Care for the Homeless (AHCH). Michael Baird, owner of Vernon’s Steakhouse states, “This is an enormous opportunity for the Albuquerque community to benefit again from the worldwide phenomenon of Breaking Bad. With this event and the creation of the Vernon’s Steakhouse Walter White Endowment Fund at the Albuquerque Community Foundation, Walter White’s legacy and final amends will have a positive impact on Albuquerque for many years to come.”

By participating in these events, in person and/or by purchasing items or making donations online, one is contributing to the awareness and prevention of the hardships afflicting so many in our City and contributing to the effort to help end it while ensuring a piece of the tumultuous, yet valuable legacy that Walter White leaves behind. It is hoped that the event will raise much needed funds to secure substance abuse services to people in Albuquerque who need them most. Here are the ways that the public can contribute:

AHCH works with more than 7,000 men, women and children experiencing homelessness every year - including those who are struggling with severe mental health and/or substance use disorders, as well as other illnesses.

According to Loyola Digital Advertising, the ad slots during the Breaking Bad finale cost anywhere from $300,000-$400,000 for a thirty-second time slot. For Albuquerque Health Care for the Homeless, that amount of money would provide 12-months of free substance abuse services to approximately 70 people. The 12-months of care includes monthly medical clinic visits, monthly or more case manager visits, integrated behavioral health, and full dental care, as needed.

To learn more about the cause and the services, join us for a press conference at 4:30pm on Thursday, October 17th at Albuquerque Healthcare for the Homeless, 1217 1st St., NW, on the corner of 1st & Menaul.
